## SUMMARY

---

Full-Stack Java Developer skilled in Spring Boot, RESTful APIs, and MySQL. Focused on building scalable web applications with clean and efficient code.

## EDUCATION

---

2025	Bachelor of Technology in Computer Technology	(CGPA : 7.0/10)
2021	Class 12th Maharashtra Board	(Percentage : 89/100)

## WORK EXPERIENCE

---

**Java Developer Intern— InnoByte Services Pvt. Ltd.** Aug 2025 - Oct 2025

- Built an Online Quiz Application using Java, Spring Boot, and MySQL.
- Developed REST APIs for user authentication, quiz handling, scoring, and progress tracking.
- Implemented role-based access (admin/user) and integrated frontend-backend flows.
- Managed version control (Git), code reviews, and agile practices in the development process.

## PROJECTS

---

### Online Quiz Application -

[Github](#)

Developed and deployed a full-stack web application using Spring Boot, MySQL, and Bootstrap on Render. Implemented Spring Security with role-based access for admin and student users. Built an automated scoring engine with real-time analytics and an admin dashboard to monitor quiz performance. Optimized backend logic and resolved cloud database integration issues for reliable deployment.

### Prekart E-Commerce Application -

[Github](#)

Developed a full-stack e-Commerce platform using Spring Boot, Hibernate, and MySQL with product management, user authentication, shopping cart functionality, and secure checkout workflows. Designed and implemented RESTful APIs for seamless front-end integration. Implemented role-based access control for enhanced security and optimized database design for performance and scalability.

## TECHNICAL SKILLS

---

<b>Programming Languages</b>	Java, JavaScript, Python
<b>Backend Technologies</b>	Spring Boot, Hibernate, JDBC, RESTful APIs, Microservices
<b>Frontend Technologies</b>	Angular, HTML5, CSS3, Bootstrap, JavaScript (ES6+)
<b>Database</b>	MySQL, SQL
<b>Tools Technologies</b>	Git, GitHub, Maven, Postman, VS Code, IntelliJ IDEA

## CERTIFICATIONS

---

- Full Stack Java Development Certification – Symbiosis Capgemini (2025).
- TCS iON Career Edge – Young Professional (Soft Skills Project Development).
- Active LeetCode participant for consistent DSA problem-solving practice.
